

WEB DEVELOPER

Designer > Coder > Enthusiast

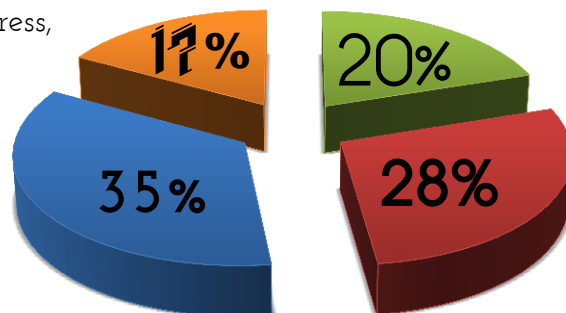

What I Do Design, code and produce seamless web experiences using a mix of Photoshop/Illustrator, HTML5/CSS3, jQuery, ajax, php, Wordpress, and MySQL.

My Education Really proud of my B.A in Economics from UNC and self-taught superpowers.

Spare Time I enjoy camping, bike riding, and working outside. A life goal of mine is to cycle cross country with a backpack full and an iPad.
